**(Please share this with other Harcum Colleagues)**

Impact Health, one of the nation's leading clinical marketing and biometric testing organization, is seeking individuals with a medical background (degree and/or experience) or significant screening experience to travel throughout the United States as part of a mobile marketing tour. This tour will cross the country and will be out from mid – February of 2010 through the close of 2011. A one year commitment is preferred, however; the opportunity to continue on with the tour for a second year will be considered at the close of the first year. This candidate will work with other permanent tour staff. Local staff may add to the team in larger markets. Being able to lead a team, while working as a team member is an important skill that will be needed for any candidate considered for this opportunity. Along with strong patient care skills, a passion for working with the public, strong customer service skills, this candidate will take on both responsibilities of the road and managing and communicating the inventory and logistics back to the home office.

**Company Overview:**

Impact Health provides services that are designed to help the individual consumer to understand their personal health risks. Working along with health plans, employers, retailers and manufacturers of pharmaceutical, food, OTC and other products, Impact Health offers an integrated suite of clinical testing services, health promotion programs and self-testing products that are designed to help individuals better manage, monitor and maintain their personal health.

**Position Salary and Benefits:**

- \$38K annual salary (please note that the tour is only 10 months)
- \$135/per diem for hotels and meals
- \$50 cab fare weekly allowance, reimbursable biweekly upon submitting receipts.
- After 90 days: will have the opportunity to receive full medical, dental, life insurance benefits,
- 2 weeks vacation paid
- 2 personal days
